

**REMARKS:**

**Status Of Claims**

Claims 1, 2, and 6-9 were previously pending. Claim 1 has been amended. Thus, claims 1, 2, and 6-9 are currently pending in the application with claims 1 and 7 being independent.

**Office Action**

Applicant would like to thank the Examiner for indicating that claims 7-9 are allowed.

In the Office Action, the Examiner rejected claims 1, 2, and 6 under 35 U.S.C. 112, second paragraph, as being indefinite. However, the Examiner indicated that claims 1, 2, and 6 would be allowable if this ground of rejection is overcome. Applicant has amended claim 1 to make it clear that "a processor of said device is operable to calibrate said altimeter". As previously noted, this processor could be integral to the GPS unit or the altimeter. Alternatively, this processor could be an independent processor of the device separate from either the GPS unit or the altimeter.

Any additional fee which is due in connection with this amendment should be applied against our Deposit Account No. 501-791. In view of the foregoing, a Notice of Allowance appears to be in order and such is courteously solicited.

Respectfully submitted,

By: /David L. Terrell/
